

Cedral Weatherboard

Woodstain range

Weatherboard is also available in a range of woodstain shades to simulate the colour and texture of a variety of timber stocks.

Availability

All colours are made to order.

Minimum order quantity

This product is sold in pallet quantities only:
Woodstains - 72 planks per pallet

Eterspan fibre cement corners

Available in all woodstain colours.

Metal corners

Available in white only.

Colour variation

Due to the coating process, variation in the shade between planks is possible.
